

ALPINE  
RESORT

## Pet Policy

Alpine Resort has a standard 'No Pets' policy for **ALL** areas of the resort including Lodging (Cabins and Clubhouse Rooms), restaurants (Burton's on the Bay and Burton's on the Green), the tent and event space, and the Alpine Golf Course.

Both federal law under the Americans with Disabilities Act (ADA) and state of Wisconsin law specify that a person with a disability is permitted to use a service animal in establishments such as restaurants, retail stores, and other businesses.

**However, the laws do not protect the use of an emotional support animal in those places. We are ONLY allowing Service animals on the property. Emotional Support animals are not allowed.**

Service animals must be under the control of their owner at all times. If the service animal is disrupting an event or other guests, we are permitted to ask the guest to leave if the service animal's behavior does not improve.
