Perfect September Wedding

The Alpine Resort was the most wonderful venue for our September, 2022 wedding. We were exceptionally lucky to get engaged right when dates opened up and were able to plan the most wonderful wedding in a short period of time.

The ceremony setting under the trees was really magical and it was wonderful having all the guests in one place staying in the cabins at Alpine. Our weather in September was lovely, and even though it briefly rained, the venue was so prepared they had already moved everything under the tent seamlessly. We were rewarded with a phenomenal rainbow that made the brief downpour worth it.

Door County Event Planners were also great. They provided recommendations for our photographers, caterer, florist, cake baker and band in an incredibly short period

of time. All were amazing – but I really especially was in love with the flowers and the gorgeous flower arch that was so unique and perfectly matched the florals of our invitations. (Flora flower shop). I believe our wedding planner's husband actually built the wooden arch as well.

Everyone was so wonderful and easy to work with and the event itself was perfect. As my new husband and I entered our cabin at night, we noticed that so many of our friends and family were sitting on their cabin porches - at midnight! Everyone was enjoying the calm after the excitement and the moonlight over the lake. It was a beautiful, peaceful getaway for all our guests.

We couldn't recommend it more.

Wonderful Wedding

Last fall, we used the Alpine as our wedding venue. It was a weekend family event. Most of us stayed in the refurbished cabins. Very tastefully updated. They kept some elements of the history such as the bed frames but fully updated the bathroom. There is a comfortable sitting area with a kitchenette.

Some of our party took advantage of the beautiful golf course. They were very accommodating to our requests. We were able to rent the tent Friday night for a welcome gathering. Burton's provided delicious pizzas. The toppings and crispy crust were fabulous. They even accommodated our request for a gluten-free option.

We ended the evening by showing a movie near the water. The wedding day was so memorable. They handled all our needs effortlessly. We went from ceremony by the water to dinner and dancing in the tent. The staff even took care of moving our heavy wedding arch from ceremony area to tent area so it could be used for pictures.

I can't say enough about all the staff. From check in staff to shuttle drivers to restaurant staff, everyone was cheerful and attentive. They partner with Door County Event planner to organize our wedding. They made it an easy process.

I wish this place much success.

My husband and I had our wedding reception at the Alpine Resort last September, and **it could not have been more perfect!** The location is beautiful, right on the water, and the tent is so pretty with string lights and wood flooring. We loved having our cocktail hour in the tent and on the grass. It was a bit windy on our wedding day, but they put the clear sides down on one side of the tent to block the wind which made the environment perfect while still allowing us to enjoy the views!

All of the staff at the Alpine were wonderful and very accommodating. We worked closely with Chandra through Door County Event Planners, and she was fantastic!

It was so fun having our guests stay in the cottages; they are newly renovated and very nice! Guests had a great time spending time outside with each other, and it was really nice to not have to worry about transportation for the guests to and from the reception. We enjoyed having an "after party" at the bar - it is great that everything is all in one place (e.g., lodging, bar, reception location, ceremony location if desired).

Could not recommend the Alpine more for a wedding! It was the most perfect day and weekend thanks to them!

Wow! What an incredible weekend and wedding night!

We cannot thank the Alpine Resort team enough for their help throughout the past year and during our big weekend. From the second we met, Chandra showed the utmost level of professionalism, organization, and attention to detail. We knew right away we were in good hands planning our big day. Chandra managed so many responsibilities for us across the Friday night rehearsal dinner and welcome drinks and Saturday's cocktail hour, reception, and after party. Thanks for being on-the-ball with everything along the way and for being so fun to work with! Chandra, Sherry, and team planned and executed all the details better than we could have imagined. We owe so much of the happiness we experienced and the memories we'll hold forever to you all!

We'd like to also express our gratitude to Dave and the bar staff for their major role in our weekend. We greatly appreciate all the behind the scenes preparation Dave did – getting each of the bars ready to go, carefully trialing and thoughtfully perfecting our signature drinks, and tending bar both nights. Dave is a familiar face and friend that has been associated with countless memories over the years for so many of our friends, family, and ourselves. He brought a smile to everyone's face this weekend.

The Alpine staff deserves a huge thank you! From the moment our guests arrived, they were greeted with a level of service we've never seen before. From the warm welcomes, to the help unpacking and shuttling guests to and from their cottages, everyone felt right at home thanks to the Alpine team. Our guests recounted plenty of instances where the staff exceeded any expectations we could've had of them – refilling coolers with ice without even being asked, providing rides to town and back at all hours, and a "drop everything and help out" attitude from each individual. We'd like to express our gratitude to the entire team that was around this weekend – Tom, Debbie, and so many others. Additionally, we'd like to thank Chef Tony and Burton's at Alpine for delivering an impeccable catering experience with timely, delicious food that all of our guests raved about!

Alpine Resort will forever be a special place in our hearts, and we're sure it will be a destination for countless beautiful weddings to come. Thanks again to the Alpine team, we highly recommend Alpine Resort for any special event!
